City of Papillion Receives CAFR Recognition for Ninth Straight Year

PAPILLION, Nebraska, November 13, 2019 – The City of Papillion has been awarded the Certificate of Achievement for Excellence in Financial Reporting by the Government Finance Officers Association of the United States and Canada (GFOA) for its Comprehensive Annual Financial Report (CAFR).

This is the ninth straight year the City of Papillion has received the Certificate of Achievement, which is the highest form of recognition in the area of governmental accounting and financial reporting, and its attainment represents a significant accomplishment by a government and its management.

The CAFR has been judged by an impartial panel to meet the high standards of the program, which includes demonstrating a constructive “spirit of full disclosure” to clearly communicate its financial story and motivate potential users and user groups to read the CAFR.

“Consistently receiving this recognition demonstrates the high level of transparency our City has regarding its financial reporting,” said Mayor David Black. “I’d like to congratulate our Finance Department for this achievement and their continued high level of excellence.”
