Dave:

I trust you and your family had a wonderful Christmas and New Years! Andrea indicated I needed to reach out to you to request re-appointment to the Papillion Planning Commission. I have truly enjoyed being part of the Commission and have felt I've done a good job representing the citizens of our community. Accordingly, I would seek your approval to re-appoint me for another term.

However, as I've indicated, we are going to be spending time at our 2nd home in Arizona, so it's likely I'll miss at least three meetings a year. If this in any way diminishes my ability to serve or impedes the normal operation of the Planning Commission, I will completely and faithfully accept your decision to appoint someone else.

Thank you and best regards,
Jim Masters
