

**CITY OF PAPIILLION
MAYOR AND CITY COUNCIL REPORT
MARCH 19, 2019 AGENDA**

Subject:	Type:	Submitted By:
Approval of Interlocal Cooperation Agreement with the NRD for the Water Sustainability Fund (WSF) Grant Application Phase of the Levee Accreditation Process	Resolution No. R19-0036	Amber Powers, Assistant City Administrator

SYNOPSIS

Approval of Resolution No. R19-0036 will allow for the execution of an interlocal cooperation agreement between the City of Papillion and the NRD for FYRA Engineering’s services for the Water Sustainability Fund (WSF) Grant Application Phase of the levee accreditation process. The City would be the lead agency for this project; however, the Papio-Missouri River Natural Resource District (“NRD”) would be the technical support agency. With the NRD being the technical support agency, they would work directly with FYRA Engineering to ensure that the grant application is moving forward and they would address any concerns as they arise related to the process.

The scope of FYRA Engineering’s proposal to the NRD and the City for the Water Sustainability Fund (WSF) Grant Application Phase of the levee accreditation process includes: (1) project background, (2) technical feasibility, (3) economic feasibility, (4) environmental feasibility, and (5) application preparation and submittal.

FISCAL IMPACT

\$35,226.00– total for Investigative Phase; however, City’s share will be \$17,613.00 (50%) with the NRD paying the other 50%.

RECOMMENDATION

Approval.

BACKGROUND

The West Papillion Creek (“Creek”) flows through portions of the City, which results in those portions of the City being within high-risk flood areas as determined by a Flood Insurance Rate Map (“FIRM”). Recent reservoir construction and updates in methodologies related to floodplain modeling are anticipated to reduce the discharges into the Creek; therefore, reducing the flood depths along the high-risk flood areas. Reduced flood depths along high-risk flood areas result in more affordable levee accreditation. Federal Emergency Management Agency (“FEMA”) requires a professional engineer to certify a levee system as support to accredit levee-protected areas on a FIRM.

Resolution No. R17-0195 was approved on October 17th, 2017. The resolution adopted the interlocal agreement between the City and the NRD, in which the City agreed to be the lead agency and the NRD agreed to be the technical support agency and to pay 50% of the costs for the Investigative Phase of the levee accreditation process.

Resolution No. R17-0225 was approved on December 5th, 2017. The resolution approved the Agreement between the City of Papillion and FYRA Engineering for professional services for the Investigative Phase of the levee accreditation process.

FYRA Engineering presented its Phase 1: Investigative Phase findings to the Public Works Committee on November 20th, 2018.

ATTACHMENTS:

1. Resolution R19-0036
2. Interlocal Cooperation Agreement between the City of Papillion and the Papio-Missouri River Natural Resources District for the Water Sustainability Fund (WSF) Grant Application Phase of the Levee Accreditation Process

RESOLUTION NO. R19-0036

WHEREAS, the City and the NRD are both political subdivisions duly authorized and existing under the laws of the State of Nebraska; and

WHEREAS, in order to promote the health, safety, and welfare of the public and pursuant to the authority granted to the Parties under the Interlocal Cooperation Act, Neb. Rev. Stat. §§ 13-801 to 13-827, the Parties wish to permit their local government units to make the most efficient use of their powers by enabling them to cooperate with each other on a basis of mutual advantage and thereby to provide services and facilities in a manner and pursuant to forms of government organization that will accord best with geographic, economic, population, and other factors influencing the needs and development of such local communities; and

WHEREAS, the West Papillion Creek (“Creek”) flows through portions of the City, which results in those portions of the City being within high-risk flood areas as determined by a Flood Insurance Rate Map (“FIRM”); and

WHEREAS, recent reservoir construction and updates in methodologies related to floodplain modeling are anticipated to reduce the discharges into the Creek; therefore, reducing the flood depths along the high-risk flood areas; and

WHEREAS, reduced flood depths along high-risk flood areas result in more affordable levee certification; and

WHEREAS, the Federal Emergency Management Agency (“FEMA”) requires a professional engineer to certify a levee system as support to accredit levee-protected areas on a FIRM; and

WHEREAS, certifying a levee system is a multi-phase certification process; and

WHEREAS, FYRA Engineering (the “Engineer”) has completed Phase I: Investigation Phase of the levee accreditation process (“Phase I”) for the City; and

WHEREAS, The Engineer has submitted a proposal to the Parties for a proposed Water Sustainability Fund (WSF) Grant Application Phase of the levee accreditation process for a total contract price of \$35,226.00; and

WHEREAS, the scope of Water Sustainability Fund (WSF) Grant Application Phase of the levee accreditation process includes the following tasks: (1) project background, (2) technical feasibility, (3) economic feasibility, (4) environmental feasibility, and (5) application preparation and submittal; Water Sustainability Fund (WSF) grant application; and

WHEREAS, the Parties find that this Agreement is in their best interest, respectively, and will further the Parties’ cooperation in acquiring levee accreditation in order to help reduce the extent of the floodplain and floodway within the City along the Creek.

NOW THEREFORE, BE IT RESOLVED by the Mayor and the City Council of the City of Papillion that the Interlocal Cooperation Agreement between the City of Papillion and the Papio-Missouri River Natural Resources District for the Water Sustainability Fund (WSF) Grant Application Phase of the levee accreditation process is hereby approved.

BE IT FURTHER RESOLVED that the Mayor is hereby authorized to sign and execute all documents on behalf of the City of Papillion to facilitate the approval of the Interlocal Cooperation Agreement between the City of Papillion and the Papio-Missouri River Natural Resources District for the Water Sustainability Fund (WSF) Grant Application Phase of the levee accreditation process.

PASSED AND APPROVED THIS 19th DAY OF MARCH, 2019.

CITY OF PAPIILLION

David P. Black, Mayor

INTERLOCAL COOPERATION AGREEMENT

This INTERLOCAL COOPERATION AGREEMENT (“Agreement”) is made and entered into this 19th day of March, 2019 by and between the CITY OF PAPILLION, a Nebraska municipal corporation (“City”), and PAPIO-MISSOURI RIVER NATURAL RESOURCES DISTRICT (“NRD”), a multi-county governmental political subdivision of the State of Nebraska (collectively, the “Parties”). This Agreement shall become effective upon the execution hereof by both of the Parties (the “Effective Date”).

RECITALS

WHEREAS, the City and the NRD are both political subdivisions duly authorized and existing under the laws of the State of Nebraska; and

WHEREAS, in order to promote the health, safety, and welfare of the public and pursuant to the authority granted to the Parties under the Interlocal Cooperation Act, Neb. Rev. Stat. §§ 13-801 to 13-827, the Parties wish to permit their local government units to make the most efficient use of their powers by enabling them to cooperate with each other on a basis of mutual advantage and thereby to provide services and facilities in a manner and pursuant to forms of government organization that will accord best with geographic, economic, population, and other factors influencing the needs and development of such local communities; and

WHEREAS, the West Papillion Creek (“Creek”) flows through portions of the City, which results in those portions of the City being within high-risk flood areas as determined by a Flood Insurance Rate Map (“FIRM”); and

WHEREAS, recent reservoir construction and updates in methodologies related to floodplain modeling are anticipated to reduce the discharges into the Creek; therefore, reducing the flood depths along the high-risk flood areas; and

WHEREAS, reduced flood depths along high-risk flood areas result in more affordable levee certification; and

WHEREAS, the Federal Emergency Management Agency (“FEMA”) requires a professional engineer to certify a levee system as support to accredit levee-protected areas on a FIRM; and

WHEREAS, certifying a levee system is a multi-phase certification process; and

WHEREAS, FYRA Engineering (the “Engineer”) has completed Phase I: Investigation Phase of the levee accreditation process (“Phase I”) for the City; and

WHEREAS, The Engineer has submitted a proposal to the Parties for a proposed Phase IA: Water Sustainability Fund (WSF) Grant Application Phase of the levee accreditation process (“Phase IA”) for a total contract price of \$35,226.00; and

WHEREAS, the scope of Phase IA includes the following tasks: (1) project background, (2) technical feasibility, (3) economic feasibility, (4) environmental feasibility, and (5)

application preparation and submittal; Water Sustainability Fund (WSF) grant application (all five tasks of Phase IA collectively being known as the “Scope”); and

WHEREAS, the Parties find that this Agreement is in their best interest, respectively, and will further the Parties’ cooperation in acquiring levee accreditation in order to help reduce the extent of the floodplain and floodway within the City along the Creek.

NOW THEREFORE, in consideration of the foregoing recitals and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties mutually agree as follows:

1. Purpose and Term. The purpose of this Agreement is to specify the rights and responsibilities of the Parties hereto regarding the proposed Phase IA between the City and the Engineer. This Agreement shall commence on the Effective Date of this Agreement and shall terminate upon completion of Phase IA, or two (2) years after the Effective Date of this Agreement, whichever occurs first (the “Term”).
2. Technical Support Agency. The Parties agree that the NRD will be the technical support agency, and will work directly with the Engineer to assist in the preparation of all necessary documents for the levee accreditation process. The Parties agree that the Engineer shall submit monthly invoices to the NRD for review and approval. Upon the NRD’s approval of the Engineer’s invoices, the Engineer’s invoices will be submitted to the City for payment in accordance with Paragraph 4 below.
3. Professional Services Agreement Contract. The City is authorized to enter into a Professional Services Agreement contract with the Engineer for Phase IA (the “Contract”). As the technical support agency, the NRD agrees to review the proposed Contract and make a recommendation to the City as to whether such proposed Contract is appropriate.
4. Contract Amount and Payment. The total Contract amount shall not exceed \$35,226.00. The Parties shall share in the Engineer’s costs for Phase IA equally, with each Party agreeing to pay an amount not to exceed \$17,613.00. As the technical support agency, the NRD shall receive the monthly invoices from the Engineer. The NRD shall review and approve the monthly invoices. Following the NRD’s approval, the NRD will pay the City for one-half of the monthly invoice within thirty (30) days of receipt of the invoice from the Engineer. Upon receipt of the NRD’s one-half share of the monthly invoice, the City will pay the Engineer for the total amount of the monthly invoice upon approval by the City of Papillion’s City Council.
5. Modifications to the Contract. The City shall not make any modifications or amendments to the Scope of the Contract or the Contract amount without written agreement signed by the governing bodies of both Parties. If the Engineer seeks a modification to the Scope of the Contract or to the Contract amount, the NRD shall review the proposed modification as technical support agency and make a recommendation to the City as to whether such proposed modification is appropriate.
6. Indemnification. Each Party shall release, indemnify and hold harmless (“Indemnifying Party”) each other Party (“Indemnified Party”) and said Indemnified Party’s officers, officials, employees, and agents, and each of them, from and against all losses, damages, liabilities,

claims, costs, and expenses whatsoever arising out of or resulting from the negligence, acts, or omissions of the Indemnifying Party, or the officers, officials, employees, agents, or contractors of the Indemnifying Party.

7. Communication and Cooperation. Each Party agrees to communicate all necessary information to the other Party and to the Engineer as deemed appropriate for the successful execution of Phase IA.

8. Miscellaneous.

- a. Incorporation of Recitals. The recitals set forth above are, by this reference, incorporated into and deemed part of this Agreement.
- b. No Administrative Entity. There shall be no separate legal or administrative entity created to administer this Agreement and, therefore, no separate budget established for such an entity.
- c. Nondiscrimination Clause. In accordance with the Nebraska Fair Employment Practice Act, Neb. Rev. Stat. § 48-1122, neither Party nor any of its subcontractors or agents shall discriminate against any employee or applicant for employment to be employed in the performance of this Agreement, with respect to hire, tenure, terms, conditions, or privileges of employment because of the race, color, religion, sex, disability, or national origin of the employee or applicant.
- d. Drug Free Policy. Each Party hereto represents and warrants to the other that it has established and maintains a drug free workplace policy.
- e. Governing Law. The Parties shall conform to all existing and applicable City ordinances, resolutions, state and federal laws, and all existing and applicable rules and regulations. Any dispute arising from this contractual relationship shall be governed solely and exclusively by Nebraska law except to the extent such provisions may be superseded by applicable federal law, in which case the latter shall apply.
- f. Forum Selection and Personal Jurisdiction. Any dispute arising from this contractual relationship shall be solely and exclusively filed in, conducted in, and decided by the courts located in Sarpy County, Nebraska. As such, the Parties also agree to exclusive personal jurisdiction in the courts located in Sarpy County, Nebraska.
- g. Entire Agreement. This Agreement and all exhibits and documents referenced herein, which are hereby incorporated and specifically made a part of this Agreement by this reference, express the entire agreement of the Parties and shall be binding upon the successors and assigns of the respective Parties. Accordingly, this Agreement supersedes any prior written or oral agreement or understanding between the Parties concerning the subject matter hereof.
- h. Modification. Any modification or amendment of this Agreement, including termination, shall require a written agreement approved by the governing bodies of both Parties.

- i. Notices, Consents, and Approval. Unless expressly stated otherwise herein, all notices, requests, consents, approvals, authorizations, or other submissions required to be made by the Parties shall be in writing, whether or not so stated, and shall be deemed sufficient and served upon the other only if sent by United States registered mail, return receipt requested, postage prepaid and addressed as follows:

(1) For City: City of Papillion
Attn: Nicole Brown, City Clerk
122 East Third Street
Papillion, NE 68046

(2) For NRD: Papio-Missouri River NRD
Attn: Amanda Grint
8901 S. 154th Street
Omaha, NE 68138

Such addresses and contact persons may be changed from time to time upon written notice to the other Party.

- j. Headings. The headings herein are inserted for convenience and reference only and in no way define or limit the scope of any provisions hereof.
- k. Severability. In the event any portion of this Agreement may be held invalid, void, or illegal for any reason by a court of competent jurisdiction, any such holding shall in no way affect, impair, or invalidate any other provisions of this Agreement, and such other provisions shall remain in full force and effect as if the invalid, void, or illegal provision was never part of this Agreement.
- l. New Employee Work Eligibility Status. The Parties shall comply with the residency verification requirements of Neb. Rev. Stat. § 4-108 through § 4-114. The Parties are required and shall use a federal immigration verification system to determine the work eligibility status of new employees physically performing services within the State of Nebraska. A federal immigration verification system means the electronic verification of the work authorization program authorized by the Illegal Immigration Reform and Immigrant Responsibility Act of 1996, 8 U.S.C. 1324a, known as the E-Verify Program, or an equivalent federal program designated by the United States Department of Homeland Security or other federal agency authorized to verify the work eligibility status of a newly hired employee.
- m. Conflict of Interest. The Parties warrant to each other that they have not employed nor retained any company or person, other than a bona fide employee working solely for the Parties to this Agreement, to solicit or secure this Agreement, and that they have not paid or agreed to pay any company or person other than a bona fide employee working solely for the Parties, any fee, commissions, percentage, brokerage fees, gifts or other consideration, contingent upon or resulting from the award or making of this Agreement.

- n. Representations. Each Party hereto represents and warrants to the other that (a) it has all necessary right, power and authority to enter into this Agreement, and (b) the execution and delivery of this Agreement and the performance and observance of all obligations and conditions to be performed or observed by such Party have been duly authorized by all necessary action on behalf of such Party.

- o. Counterparts. This Agreement may be executed in counterparts, each of which will be deemed an original and all of which together will constitute one Agreement. The signature page of any counterpart may be detached therefrom without impairing the legal effect of the signature(s) thereon provided such signature page is attached to any other counterpart identical thereto.
