

## Papillion Farmers Market Busking Rules and Regulations

Vendors pay for the privilege of being at the Market, because buskers do not, the rights of the Vendors take precedence over the rights of the Buskers.

1. There is a limit of 2 busking spots per market. Spots must be reserved through the Market Manager 24 hours in advanced of the market, in order to be able to perform.
2. All buskers must check in, before setting up, at the Papillion Farmers Market information booth each week. Buskers must have an application on file.
3. All buskers must cooperate with adjacent vendors. Should the Market Manager receive one (1) complaint from any vendor regarding a performance, they will investigate and determine appropriate action. If the problem continues after Manager intervention, the busker will be asked to leave the Market for the day. Repeated complaints by vendors will result in the busker being barred from the Market for the remainder of the season.
4. All material must be considered family-friendly. Obscenity or indecency will not be tolerated.
5. Buskers are allowed to collect tips. Performers cannot ask for money or require payment, but may place a donation basket in one location; it cannot be passed around. CD sales are permitted. It is the responsibility of the busker to report all income, including tips, to the state tax commission.
6. Market Staff has the authority to move and reassign performer spots to enhance or facilitate market operations.
7. Buskers must play acoustically. No amplification is allowed. Percussion is allowed with approval by the Market Manager.
8. Buskers must stay in their assigned location for the duration of the market.
9. Any Busker who the Market Manager determines is not complying with the Market rules may be asked to leave, especially if the performance interferes with market operations or any vendor's ability to do business. The performance area should not block the flow of traffic and it is the busker's responsibility to ensure this.
10. The City of Papillion is not liable for any injury, theft, or damage to either the busker or their property arising out of or pertaining to preparation for or participation in the Papillion Farmers Market; whether such injury, theft, or damage occurred prior, during, or after the Papillion Farmers Market, the busker agrees to indemnify and hold the City of Papillion harmless for and against any claims for such injury, theft, or damage. All personal property, including, but not limited to, instruments, must be kept with the busker at all times.
11. Buskers are not allowed to bring any motorized vehicles into the Market. Public parking is available in the market parking lot.
